## **Institutional Distinctiveness (2021-22)**

As per the motto Education, progress and conduct, it is the duty of the college to provide all tools at its disposal to enhance knowledge base and holistic development of its students. For extra-curricular activities such as sports, facilities for both indoor and outdoor sports are available in the college under guidance of a trained sports teacher. A Gym has been established and modern facilities have been provided to students. A stadium for various outdoor games is properly maintained in the college. The field is used not just by college students but also open to local sports talent during morning and evening for running and jogging. Gender inclusive education is an important part of inclusive education, which can be seen at college. Percentage of girl students increased from 70% to 80% in last five years. It is important to note that more than 90% students are from SC, ST and backward sections.
